FOR IMMEDIATE RELEASE

ASV Adds Minnesota Dealer to Network

GRAND RAPIDS, Minn. (June 13, 2018) — [ASV Holdings Inc.](#), an industry-leading manufacturer of all-purpose and all-season compact track loaders and skid steers, has added [Northwoods Hydraulic and Equipment](#) to its dealer network.

The Moose Lake, Minnesota-based dealer will offer all ASV Posi-Track® compact track loaders, featuring best-in-class rated operating capacity, cooling systems and hydraulic efficiency, from the new [RT-40](#), an industry-leading small-frame CTL, to the [VT-70](#), ASV's first mid-frame vertical lift model, all the way up to the [RT-120 Forestry](#) unit, the industry's most powerful CTL. The company will also carry ASV's full line of [skid-steer loaders](#).

“Throughout its history, Northwoods Hydraulic and Equipment has grown to offer more services and products to its customers,” said Jim Haroldson, ASV district sales manager. “The addition of ASV equipment will allow the company to expand into new markets while continuing to provide top-notch customer service.”

Northwoods Hydraulic and Equipment was established to provide equipment service to area farmers, foresters and construction contractors in the Moose Lake area, including St. Louis, Pine and Carlton counties.

“Having repaired a large variety of equipment, we chose ASV because of its quality manufacturing,” said Joshua Pangerl, Northwoods Hydraulic and Equipment owner and president. “ASV machines are some of the most productive and versatile and can handle a wide range of jobs, from construction, farming, forestry and landscaping.”

Northwoods Hydraulic and Equipment is a family-owned and operated company offering full-service engine and transmission repair, as well as equipment sales and service. To learn more about Northwoods Hydraulic and Equipment, visit their website at northwoodsequip.com.

About ASV

ASV Holdings Inc., a publicly traded company on NASDAQ, designs and manufactures a full line of compact track and skid-steer loaders primarily for the construction, landscaping and forestry markets. Located in Grand Rapids, Minnesota, ASV started in 1983 and was one of the pioneers in the compact track loader industry. ASV builds its compact track loaders using unique and patented Posi-Track undercarriage technology that provides exceptional traction on soft, wet, slippery, rough or hilly terrain. Posi-Track is a registered trademark of ASV Holdings, Inc.
